PRINCIPALS IN BAPTIST CHURCH REVIVAL

Rev. A. E. Harrison, left, pastor of the First Baptist Church at Burkburnett, will be in charge of preaching services for the fall revival, Hamlin Baptist Church, which begins Sunday. Rev. Harrison is widely known

as an evangelist. Right is Floyd D. McCoy, music director for the revival, which will continue through September 29. General public is cordially invited to attend the daily services, at 2:30 and 7:30 p. m.

Crops Show Big Promise Since Rains

25,000-BALE COTTON CROP FOR COUNTY WOULD BE GOOD YIELD FOR COUNTY

If more rains come to the Hamlin region during the next several weeks, and frosts are late, good yields of row crops are expected to be harvested in this section, according to crop observers. Cotton and head grains already are showing great improvement since the recent rains.

While acreages in cotton are materially lower in the section than in many recent years, ginnings for Hamlin are prophesied for 2,000 to 3,500 bales. Normal ginnings in the past have totaled from 5,000 to 7,000 bales.

Early cotton already is coming in at a good clip to local gins, and new fields are being entered daily by workers. Quality of seed cotton is good, ginnings state, and turn-out is fair.

New crop of squares and bolls being put on since the rains of last month-end and first of September will have plenty of time to mature with late frosts, growers and others declare. Another good rain or two during the next 30 to 60 days will aid materially in production of the nearly-normal crop from reduced 1946 acreage of the area.

While it is quite early for any estimates to be placed on the current cotton crop for Jones County, it is certain that the 42,608-bales crop of 1945 will not nearly be reached this year. In the first place, growing conditions have not been nearly so favorable, and harvesting weather of last fall and winter were the finest in the memory of cotton growers. Too, as stated above, the acreage this year is much under the 1945 acreage—probably 25 per cent. If a crop of 25,000 bales is harvested, which now is not likely, growers and processors of cotton of the Hamlin section will be mighty happy.

Much of the decrease in the cotton acreage from last year was put into combine maize in the Hamlin region. Same bad growing conditions, consisting of dry weather and hot winds, have sapped the maize crops the same as cotton. Shipments from Hamlin probably will not total more than one-fourth of the 1945 crop of maize shipped last season, observers declared this week.

New Elementary School Building Taking Shape

Hamlin's new \$125,000 elementary school building is gradually taking shape and, with no unforeseen mishaps, it should be completed about on schedule the latter part of October, representatives of the contractors, T. E. Shelburne & Son, reported this week.

Brick work is about complete. Roof joists were being placed this week, and much of the floor has been run.

YOUNG COLLEGIATES LEAVE FOR TERMS IN NINE STATE COLLEGES AND UNIVERSITIES

Answering the call to higher institutions of learning, Hamlin young men and women are enrolling in nine colleges and universities for the 1946-1947 term.

Some left Monday and Tuesday for college and virtually all had enrolled by mid-week.

Among Hamlin boys and girls attending college and university this term are:

James Tate May and Joe Clements, Baylor University, Waco.

Larry McCoy, Billie Kathrine Lancaster, Ruby Joyce Redus, Gerald Young, R. A. Dean, Leon Low, Monte Ray Barton, Lee Carter and Elmer Feagan, Texas Technological College, Lubbock.

Ronald Charles Brown, Elizabeth Butcher, Paul Fowler Jr., Guy Elkins, Ellis Benham, Delma Rhoten and Alta Willis, North Texas State Teachers College, Denton.

PIED PIPERS READY FOR ROTAN TILT ON HOME GRID FRIDAY

Hamlin Pied Pipers look plenty good this week on running plays as they prepare for their first home game of the season Friday evening—a non-conference tilt against the Rotan Yellowhammers.

The Pipers are out in new uniforms of green and white, and Hamlin's football stadium is in the best shape of recent years, report Coaches L. B. Howard and Marvin Carlton.

Line average for Friday evening's game will be 168 pounds and the backfield will average 165 pounds.

Members of the Pied Piper football squad are:

Franks, Weir, Black and Elders, ends; Crowley, McCurley, Riley, Goodgame, tackles; Sedberry, Blanton, Criswell, Adams, guards; Myers and Moore, centers; Rowland, Dean, Owens, Butler, Houghton, Putman and Neidecken, backs.

Pied Piper schedule for the season follows:

Rotan, here Friday evening; Haskell here September 27; Throckmorton here October 11; October 25 open; Munday there November 1; Albany here November 8; Anson here (November 15, and November 22); Merkel at Merkel.

French M. Robertson Of Abilene Elected to 24th Democratic Post

Democrats of Jones and other counties in the 24th Senatorial District are now represented by a new district chairman, French M. Robertson of Abilene, and by a committee-woman, Mrs. John Perry of Sweetwater, who was one of the few district officers in the state held over from last year.

These two were named last Tuesday by the 24th District delegates in caucus at San Antonio, and confirmed by the State Democratic Convention.

Robertson succeeds E. T. Brooks of Abilene, who called the caucus into session. Counties in this district are Mitchell, Nolan, Scurry, Fisher, Jones, Shackelford, Callahan, Taylor, Throckmorton, Haskell, Stephens and Eastland.

Courtney Hunt of Haskell was named secretary of the caucus that preceded the convention and was also named on the committee to canvass returns.

Hamlin Lions to Attend Zone Meeting at Roby

At least three Hamlin Lions Club officials were planning this week to attend the first fiscal year zone meeting at Roby Tuesday evening at the Methodist Church. President Delma Shelburne, Secretary C. C. Bailey and Deputy District Governor Haskell W. Carter indicated they would attend.

Ladies of attendants are invited, too, Robert Cross of Anson, zone chairman, advised Hamlin Lions this week.

BURKBURNETT MAN TO LEAD REVIVAL AT BAPTIST CHURCH

Rev. A. E. Harrison of Burkburnett will occupy the pulpit for the fall revival of First Baptist Church, which begins Sunday morning, it was announced this week.

Rev. Harrison, pastor of the First Baptist Church at Burkburnett, is a noted Bible scholar and congregation of the local church is looking forward to an outstanding meeting.

Floyd D. McCoy will be in charge of song services for the meeting, which will run through September 29.

Announcement is made that Friday night services will be held from 7:00 to 7:50 o'clock for the convenience of those who wish to attend the ball game.

Daily services for the fall revival will be held at 2:30 p. m. and 7:30 p. m.—with exception of the Friday night gathering.

Attendance at services of the Hamlin Baptist Church are constantly increasing, and arrangements will be made for additional seating space through the revival, church leaders report.

The Hamlin Baptist Church, it will be recalled, has led the association by far in number of additions to the church.

Sunday evening, for example, attendance in the youth choir was so heavy it is necessary to send a portion of the choir to another part of the church.

People of the Hamlin area and neighboring counties are cordially invited to attend the fall revival. Subjects Rev. Harrison will preach on include:

"The Church Getting Ready For a Revival," "Prayer," "The Cry of a Neglected Soul," "One Man Plus God," "When They Had Prayed—Lord Teach Us to Pray," "The Effect of Sin," "The Power of the Gospel," and "Life's Supreme Question." "We want to get the people to praying," Rev. Harrison writes, "because I long since learned that the only way to have a revival is through prayer and work."

McCoy, revival musical director, is well known here and states the type of gospel songs that never grow old will be featured at daily services.

All But One Grocery to Stay Closed on Sunday

Every grocery store in Hamlin except one has pledged its cooperation in closing all day Sunday, it was reported Wednesday by Rev. J. T. Crawford, president of the Hamlin Ministerial Alliance, which group had sponsored a campaign to ask local business houses to close Sundays.

The Alliance also asks patrons of these business men who seek to make a better town to cooperate by emphasizing Sunday as a day of rest and worship.

Thedford Ray Copeland Taking Marine Course

Thedford Ray Copeland, son of Mrs. Muriel Preston of Hamlin, who recently enlisted in the U. S. Marines, is taking boot training at San Diego, California.

Thedford Ray is attached to Platoon 174, Marine Recruiting Depot at San Diego. A graduate of Hamlin High School, Copeland attended Texas A. & M. College and Hardin-Simmons University, Abilene.

Legless Vets May Get Cars from Government

Forms are now available for veterans of the Hamlin community or elsewhere who sustained loss of a leg in World War II to make application for automobiles at government expense.

Hamlin area vets are informed this week they can secure forms to make application with the Veterans Administration contact office, 615 Alexander Building, Abilene.

PHELPS TO BUILD NEW PLANT AS PART OF INCREASED LOCKER SYSTEM

Modern meat curing plant for Hamlin was in the picture for the immediate future, it was revealed this week by the Hamlin Chamber of Commerce, which has been working on the project for some weeks.

C. E. Phelps of Phelps Ice Company announced that his concern would begin construction on the new plant immediately, which would be operating in connection with the present locker plant in the West Texas Utilities Company building near the Santa Fe depot.

Completion of the plant will depend, Phelps declared, on his ability to secure needed materials for construction and equipment of the building.

Growing demand for the curing plant has been felt for some time, and the Chamber of Commerce has been working to secure such a community enterprise quietly and without knowledge of most citizens of the area.

Phelps also stated this week that the capacity of the present cold storage locker plant would be increased by 300 additional lockers, for which there also is a growing demand. This expansion will bring the capacity of the locker plant to 650 lockers.

Edith Ann Scott and Instructor Attending Homemakers Session

Edith Ann Scott was in Austin last week-end to attend the executive council of the Future Homemakers of America.

The council is composed of the seven state officers, the retiring presidents of each of the 10 areas in Texas and their sponsors and advisors.

Edith Ann is president of Area II, Mrs. Camille Simmons is area sponsor and Miss Esther Sorenson of Lubbock is area advisor.

Big goal of the state organization is money, Edith Ann reports, for the homemakers' own camp—which will be located somewhere in the central part of Texas. The state organization now has about 10,000 and the goal for 1946 is another \$10,000.

Mrs. Simmons accompanied Edith Ann to the state convocation. Both report an enjoyable and educational gathering.

Service Record Books to Be Ready in Two Weeks

Jones County's Service Record Books will be ready for distribution in about two weeks, The Herald is informed by publishers this week. The Herald has been cooperating with the Stamford American and the Anson Western-Enterprise in compiling material for the book.

Book orders placed with The Herald will be delivered at this office unless we have orders to mail.

Pictures used in the material will be returned to those calling for them. The Herald will have a limited number of extra copies of the book that will be available at \$3.50.

Services of Trapper for County Now Available

Services of L. W. Whitley, Jones County wolf trapper, are now available to any citizens in Jones County who are bothered with predatory animals. The Herald is advised by Gilbert Smith, county judge, this week.

The arrangement for the full-time trapper was made through a cooperative agreement with the U. S. Department of Interior, the state of Texas and the Jones County Commissioners Court. Citizens are urged to avail themselves of this service. Mr. Whitley can be reached through the county judge's office or by writing L. W. Whitley, Route 2, Lueders.

NEW WILDCAT AT TUXEDO SLATED IN DEAL THIS WEEK

Sale of a 4,000-acre block near Tuxedo, northern part of Jones County, highlighted area oil developments this week.

A Herald reporter learns that sale of the block near Tuxedo carries commitment to drill a deep test. The block centers around Sections 91 and 92, BBB & C Survey.

The Tuxedo block was assembled by Harry J. Fast and turned to Roy L. Crawford and Leland Fikes of Dallas. Closest production to the block is in the Hardy pool on the Chittenden Ranch.

Location for the first well, which is expected to test to the Ellenburger, is expected in the near future and will probably be on the Carlton Ranch in the south half of Section 91, BBB & C Survey.

Final decision on the Bennett & Sorrells No. 1 William E. Eoff, four miles southeast of Hamlin, is being eagerly awaited. Test entered the Eastwika above 3,350 feet. Location is 330 feet from the east and 324 feet from the north line of the northeast quarter of Subdivision 2 Austin & Williams Survey League 338.

Near the west line of the county Crown Central Petroleum Corporation No. 1 J. A. Butler has plugged back from the Palo Pinto to test a Canyon sand at 4,224-42 feet. Extensive tests recovered only uncommercial amounts of oil from the deep zone.

Leasing activities in Jones and Fisher Counties remain at a good level this week. Leasing play in this general territory has been heavy for some time.

Big Spring Man Opens Hamlin Clothing Store

New business man for Hamlin is Clyde Hughes, who is moving here this week from Big Spring and locating across the street from the post office.

Hughes, a former Abilene resident, will sell used suits, tailor-made suits and will do alteration work for the public.

Rainfall Gauges 2.85 Inches for September

Hamlin rainfall for September, to date, totals 2.85 inches, The Herald learned Tuesday afternoon from the city pump station.

Hamlin received a light drizzle of rain Tuesday morning, while east of town rainfall was heavier. Southwest of town a good grian shower was reported.

September rainfall, by days, as reported by the city pump station, follows:

September 2	.05
September 3	.78
September 13	.13
September 14	1.76

JOAN CULBERTSON WEDS EDGAR BOAZ IN CEREMONY AT METHODIST CHURCH

With Bishop H. A. Boaz of Dallas officiating, Joan Culbertson, daughter of Mr. and Mrs. Joe L. Culbertson of Hamlin, and Z. Edgar Boaz, son of Mr. and Mrs. Edgar Boaz of Anson, were married Saturday evening at the Methodist Church.

Edwina Gilbert played the traditional wedding music and accompanied Mrs. Walton Jameson, who sang "Because" and "The Lord's Prayer." The church was decorated with lattices entwined with smilax, white cathedral tapers in white candelabra and arrangements of white gladioli and asters. The wedding vows were spoken before a flower banked arch beneath which the couple knelt for the prayer. The side aisles were marked with white satin streamers to which were tied fan-shaped bouquets of white gladioli and fern.

The bride, given in marriage by her father, chose a period gown of antique satin designed with tiny roll collar and long, fitted sleeves with pointed cuffs. Satin buttons extended down the front of the basque bodice and the very full hoop skirt spread into a graceful train. Her finger-tip veil of imported bridal illusion fell in circular tiers from a calot outlined with a soft ruffle of illusion showered with pearly orange blossoms. The bridal bouquet was a period ring arrangement of gardenias, stephanotis and orchids nestled in maline and showered with satin streamers. For "something old" she wore diamond earrings, which are family heirlooms. For "something new and blue" she carried a hand-made handkerchief brought from China. For "something borrowed" she wore a strand of pearls belonging to her grandmother.

Joyce Culbertson, who attended her sister as maid of honor, wore a period gown of ashes of roses taffeta and carried a ring-shaped arrangement of pale pink pom-pom dahlias with bow and streamers of matching satin ribbon. Bridesmaids were Joan Crabb of Leonard, Phala Davis of Abilene, Mrs. Marion Hughey of Hamlin and Mrs. Tom Ellis of Abilene. They wore identical gowns of pale pink taffeta with lines similar to the gown worn by the maid of honor and carried ring-shaped arrangements of deep pink pom-pom dahlias with bow and streamers of matching satin ribbon.

SATURDAY BRIDE

Mrs. Z. Edgar Boaz, above, was Joan Culbertson, daughter of Mr. and Mrs. Joe Culbertson of Hamlin, before her marriage Saturday evening at the Hamlin First Methodist Church. The newlyweds will be at home on a ranch southwest of Anson after a honeymoon to points in New Mexico and Colorado.

Wedding Party Feted At Friday Dinner

Home of Mr. and Mrs. J. C. Culbertson was the scene Friday evening for the rehearsal dinner honoring members of the Culbertson-Boaz wedding party.

Hostesses for the occasion were Mrs. J. C. Culbertson, Miss Vera Culbertson and Mrs. Paul Fraser of San Benito. Assisting the hostesses were Mrs. Mary Farrow, Mrs. M. T. Via, Mrs. John Ed Day, Mrs. L. L. Cowan, Mrs. W. C. Brian and Mrs. Paul Crabb of Leonard.

Entertaining rooms were beautifully decorated with arrangements of pink asters and gladioli and were lighted with pink tapers.

The buffet table was laid with an imported lace cloth, centered with a mound of pink asters and fern and flanked by candelabra holding pink tapers. Coffee was served from a console holding an antique silver coffee service.

During the dinner Joan Culbertson presented her attendants with gold bracelets on which their names were engraved and Edgar Boaz presented his attendants with gold tie clasps with engraved initials.

Guests were Miss Joan Culbertson, Miss Phala Davis of Abilene, Miss Joan Crabb of Leonard, Miss Edwina Gilbert, Mrs. Marion Hughey and Mrs. Tom Ellis of Abilene, Mrs. Edgar Boaz of Anson, Mrs. Walter D. Osborne of New York City, Z. Edgar Boaz, Albert Purifoy of Dallas, Jack Walker and Billy Fowler Farnsworth of Anson, Derrell Carpenter of Lubbock, Barton Willingham of Tulsa, Bishop H. A. Boaz of Dallas, Mr. and Mrs. Joe Culbertson, Mr. and Mrs. Welton Jameson and Mr. and Mrs. Heflin Miller.

Melba Simmons and Jesse W. Locke Marry

Mr. and Mrs. Tom Simmons of Pecos this week announce the marriage of their daughter, Melba Simmons, to Jesse W. Locke of Hamlin Wednesday, September 4, at Odessa.

Mr. and Mrs. G. W. Huckabay were the only attendants at the double ring ceremony.

Mr. and Mrs. Jesse Locke are now at home at 709 South Grant, Odessa.

Edwina Gilbert left Wednesday for Dallas to visit friends for the next few days.

MARRIED RECENTLY

Before her marriage on August 24 at Anson, Mrs. Thomas C. Johnson, above, was Irene Clonelle Harris, daughter of R. L. Harris of Hamlin. A graduate of Hamlin High School, Mrs. Johnson has lived for several years in Dallas, where the couple is at home after a honeymoon.

Hamlin Garden Club In Year's Final Meet

The Hamlin Garden Club met in the home of Mrs. Dick Maberry for the last meeting of the year.

The installation of officers for the next year was the main feature of the afternoon.

The following officers were installed: Mrs. J. W. McCrary, president; Eleanor Temple, first vice-president; Mrs. A. Spencer, second vice-president; Mrs. M. T. Hudson, recording secretary; Mrs. G. A. Hackley, corresponding secretary; Mrs. R. D. Moore, treasurer; Mrs. Carl Young, reporter; Mrs. C. P. Yates, parliamentarian; and Mrs. J. W. Ezell, historian.

Seventeen members enjoyed refreshments.

Mr. and Mrs. Ray Willingham and his mother, Mrs. Minnie Willingham arrived in Hamlin Monday for a visit with relatives and friends.

Roberts Sisters Wed In Double Ceremony

Two Hamlin girls, Miss Billie Jean and Lula Faye Roberts, daughters of Mr. and Mrs. Jack Roberts, now at Benicia, California, were united in marriage September 7, 4:00 p. m. to Technician Fifth Grade Bill Alexander and Private First Class Ralph Keel, both of the U. S. Army.

The double ring ceremony was read at the home of Mr. and Mrs. Kirby Fudge of Benicia. Billie Jean was dressed in a royal blue suit. Her accessories were of white and she wore a gardenia corsage.

Lula Faye was dressed in a gray two-piece suit and had black accessories. She wore a rosebud corsage.

A number of friends were present for the double wedding. After a brief honeymoon trip, the couples will be at home in Benicia, California.

Mr. and Mrs. J. D. Adams and small daughter, Anna Cheryle, returned from Dallas over the weekend, where they have been visiting relatives and friends.

Approximately 50 members and guests attended.

\$65 Taken in Robbery Of Moore Grain Firm

Robbery of \$65 from the safe of the Moore Grain Company in East Hamlin was reported Wednesday at noon by Fred B. Moore and son, owners of the concern. No clues to locating of the colored man who perpetrated the job had been developed Wednesday night, Hamlin officers reported.

Robbery occurred during the noon hour when the Moores were out to lunch. Tom Connor, who was on duty at the time, had gone to the feed mill for a minute. Upon his return to the office, Connor called to a negro who was at the safe. The man fled, taking an estimated \$65 in cash.

Mr. and Mrs. Irwin Smith returned over the week-end from Weatherford, where they attended the funeral of Mrs. Smith's father, S. W. Weaver, who succumbed of a heart attack.

JUDGE-ELECT TELLS ROTARY LIBERTIES BEING ENDANGERED

"If our national government continues to invoke directives and regulatory measures and add new bureaus to our system of government it threatens to take away remainder of our liberties guaranteed by our original constitution as drafted by Benjamin Franklin, Thomas Jefferson and others of the early days," County Judge-elect Roger Q. Garrett of Anson told members and guests at the Rotary Club luncheon Wednesday noon at the Morgan Hotel.

The judge was speaking in observance of Constitution Week. He declared our country is fast approaching a bureaucracy through a government dominated form of rule. He stated that our state constitution is lengthy and out-of-date and should be rewritten for modern times with up-to-now phrases.

Rotarians agreed to go almost 100 per cent to a pep rally for the Hamlin High School football team slated Thursday afternoon from 3:00 until 3:30 a Pied Piper Stadium.

Guests at the Wednesday luncheon included A. M. G. Swenson of Stamford, Walter Irwin of Amarillo, Bernard Taylor of San Angelo, and C. M. Vaden, Emmett Chandler, George L. Foster, Orion Carter, El Stewart and Hollis Manley of Abilene.

The town's Tonkawa Camp Fire group is sponsored by the Hamlin Volunteer Fire Department auxiliary with Mrs. Fern Coltharp, Mrs. T. Johnson and Lurline Young as individual sponsors. Mrs. L. B. Maberry is guardian.

American Legion Auxiliary sponsors a Camp Fire group. New leaders and sponsors are being selected for the unit at this time.

Hamlin School Parent-Teacher Association sponsors two groups of Blue Birds with Mrs. J. Olin Amerson and Mrs. G. R. Bennett as leaders and Mrs. Marie Denton and Mrs. J. A. Stewart assistant leaders. Sponsors are Mrs. W. L. Fletcher and Mrs. Tom Vaughn.

J. Cleo Scott of Hamlin is secretary for the West Texas Camp Fire Girls Area Council which has headquarters at the Stamford Youth Center. A. C. Humphrey is president, and vice presidents are Mrs. E. R. Carpenter of Knox City and Mrs. E. M. Pittman of Anson. Mary Million of Stamford is treasurer and C. C. Westfall is finance chairman.

In addition to Jones, other counties in the West Texas Camp Fire Girls Area include Haskell, Knox, Shackelford, Stonewall and Kent.

Camp Fire Girls groups will be here, at Anson, Rochester, Haskell, Knox City, Stamford, Albany, Rule, Aspermont and Jayton.

Walter I. Hamby Dies Saturday at San Marcos

Walter Isom Hamby of San Marcos, 68, brother of Mrs. Mary Leonard of Hamlin, died Saturday in San Marcos at the home of another sister, Mrs. Harry Reasonover.

Mr. Hamby had been a Texas Ranger, and had been a Houston deputy sheriff the past two years.

Hamby is survived by two daughters, Mrs. W. Whilby of Austin and Mrs. John Doll of Fayetteville; three sons, O. H. Hamby of Lytle, R. D. Hamby of Fayetteville and James Hamby of Sinton; three sisters, Mrs. Mary Leonard of Hamlin, Mrs. Lillie Eckert and Mrs. Harry Reasonover, both of Austin; one brother, Charles Hamby of Austin.

ACCEPTABLE WORSHIP

"There came forth fire from before Jehovah, and devoured" both Nadab and Abihu, because they worshiped before Jehovah in a way "which he had not commanded them" (Leviticus 10:1-2). This should impress all with the necessity of worshipping just as God has commanded us. It reveals the danger of worshipping in any way that God has not commanded.

When Jeroboam undertook to deviate from God's order of worship under the law of Moses, a prophet was sent from Judea to cry against the altar of Jeroboam's worship. The altar was rent, and the ashes were poured from the altar, and Jeroboam's hand was "dried up"; all of which shows that God was displeased with Jeroboam's unauthorized procedure of Worship (1 Kings 12:26; 13:6).—John C. Scott, Minister, Hamlin Church of Christ.

**The Force that Holds Up
the Rainbow Natural Bridge..**

OIL PLATES Your Engine!

ONE of America's wonders is the tremendous Rainbow Natural Bridge in Utah. Weighing millions of tons, it's held up by the mighty forces of attraction that exist between molecules of stone.

By ceaseless study of the molecular attraction between liquids and solids, Conoco engineers are able to bring motorists new and better oils. For example, under laws of molecular attraction, a special ingredient in Conoco Nth motor oil is attracted to working surfaces of your engine. So strong is this attraction that cylinder walls and other parts are OIL-PLATED.

Because molecular attraction holds Conoco OIL-PLATING up where it belongs

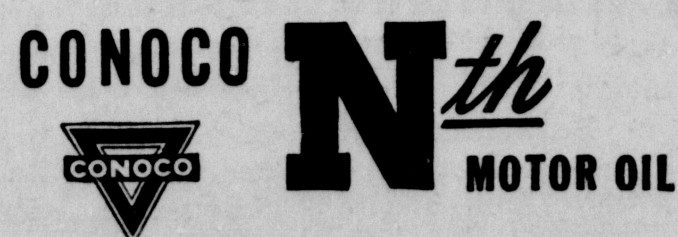

... prevents it from all draining down to the crankcase, even overnight... you get these benefits:

added protection when your engine starts up

added protection from corrosive action
added protection from wear that leads to fouling sludge and carbon

added smooth, silent miles

That's why to OIL-PLATE now... at Your Conoco Mileage Merchant's. Look for the red triangle. Continental Oil Co.

WE'VE SEEN WORSE CROPS IN WEST TEXAS

The dismal outlook for crops in the Hamlin section 30 days ago has put on a much rosier hue, although because rains came so late in the growing season, harvests are bound to be considerably short of planting season expectations.

On the heels of a last-minute rally of wheat from an almost complete failure, the revitalized cotton and head grain crops may turn out as surprising to growers of the region. This crop season seems destined to feature the "runtiest" stalks in the history of West Texas crops. Fair wheat yields were made from stalks that ranged from eight to 15 inches in height. Average height of cotton stalks will no doubt be four to 10 inches shorter this year than usual. Maize and other head grain stalks that have seen the sickle already have nearly made combines "get down on their knees" to reach the little stuff.

But let us be appreciative to an all-wise Crop Maker upstairs for the harvests Jones County will have. Practically all of us have seen much worse crops. Let's not be chronic bemoaners of the short crops this year, but be spurred to greater production by faith in a beckoning future.

HAMLIN PEOPLE WANT BETTER PLANTS

Recent appearances of members of the Hamlin City Council before civic groups of the town and conversations of the officials in private with the citizenship concerning needed expansion of the water and sewer facilities for the present and future of Hamlin should have revealed to the aldermen that practically all citizens are ready to back them up in any improvement they deem necessary.

These councilmen have said in effect that they are anxious to begin planning for any additions and expansion to the present systems which the citizenship wants and will help to pay for.

As The Herald sees the matter, it is not a question of our needs, but one of decision whether the town will move forward or backward now and in the years ahead. As outlined in this unworthy publication several times, the outmoded sewer disposal plant, built in 1922, cannot adequately serve a city that has more than doubled its intended connection capacity. Inadequate water filtering and pumping equipment at the city waterworks plant likewise cannot provide ample service for present patrons of the city water department, to say nothing of further growth of our city.

Mr. Mayor and Councilmen, we believe you have the backing of a citizenship that is appreciative of your civic service in any reasonable program destined to help our city grow.

CAR THEFTS CHECKED BY TITLE CONTROLS

Buyers of used cars in the Hamlin area were warned Thursday to secure from the seller acceptable proof of ownership as the State Highway Department move toward wiping out traffic in stolen and mortgaged motor vehicles in Texas.

"Jones County tax collector has now received instructions to hold the line in requiring proof of ownership on all applications for vehicle titles," E. J. Amey, director of motor vehicle registration, announced. "Applications for Texas titles are made through local tax collectors under the present law. Properly assigned certificates of title from any of the 30 states having a title law similar to Texas is the best evidence of ownership. The purchaser should insist upon receiving a release of any lien recorded on a Texas title or a title issued by any other state," Amey stated.

Outlining minimum acceptable ownership proof of vehicles brought into Texas from any of the 17 non-title states, which includes Louisiana, Amey announced, "We will accept a 1945 license receipt from Louisiana or other non-title state and the current receipt if both are in the name of the person applying for the Texas title. Bills of sale showing all changes in ownership must supplement such 1945 license receipt if applicant for a Texas title is not the same person in whose name the receipt is issued," he added.

Strict enforcement of the Texas title law was endorsed at a recent meeting of car dealers, enforcement officers, tax collectors and representatives of finance and insurance companies. The meeting had been called to determine if present requirements for title were meeting with the approval of all concerned.

"Numerous stolen and mortgaged cars bearing license plates from non-title states have been sold in Texas," Amey stated. "Purchasers of such vehicles are unable to obtain valid titles in Texas and the vehicles are subject to seizure by their lawful owners."

The National Automobile Theft Bureau has estimated that the current requirements of the highway department have reduced sales of stolen cars in Texas by half.

WHAT CONTEMPORARIES ARE SAYING

FOOD IN THE LARDER

With one of the biggest wheat crops in world history on its way to markets, the specter of hunger is rapidly being removed from the war-torn countries. There still will be local shortages, maladjustments and distribution difficulties, but there should be enough food to avoid famines and to provide most people with diets as good as they had before the war, if not better. The danger of mass starvation and consequent revolution is largely past.

There may be enough demand for our food surpluses to avoid price depression here, but this demand should not keep the American dinner table from being generously supplied. Europe's food imports for the year ahead are expected to be no more than in a normal pre-war year and may be less. France has good crops and can easily get additional food from her colonies. Turkey is preparing to export grain. Russia has not announced her crop figures, but is seeking foreign bids on large amounts of grain.

In time, much gain should come from the system of world crop reporting now being set up by the Food and Agriculture Organization. This will provide a handy inventory of supplies and should facilitate the shipping of food to areas which are short before the need becomes acute. At present there is some confusion because some countries report in quintals instead of bushels and hectares instead of acres and lump together their figures of various meat animals; but these difficulties can be overcome. The FAO reports should bring better forecasting of price trends and thus should have a stabilizing effect on world food markets. Meanwhile the lessening of foreign demands for food from the United States should be a factor in combatting price inflation here.—The Dallas Morning News.

870 PUPILS ENROLL IN HAMLIN SCHOOLS FOR RECORD HIGH

Hamlin Schools opened Monday morning for the 1946-1947 term with total enrollment of approximately 870 students, Superintendent I. R. Huchingson reports.

Enrollment in elementary school stands at 622, and 247 are enrolled in high school.

Grade school enrollment is practically double figures of last year.

Due to the fact Hamlin's new school building has not been completed, classes are being held under this arrangement:

First grade in basement of Methodist Church with May James and Mrs. Mattie Griffin as teachers; second grade in basement of First Baptist Church with Mrs. Fred Smith and Mrs. Marvin Carlton as teachers;

Third, fourth and fifth grades in the school VA Building; Mrs. Harold Williams and Mrs. Minnie I. Wilson, third; Mrs. George Moore and Miss Maxine Poe, fourth; Miss Maggie Seymore and Miss Harriett Evans, fifth. Part of the fifth grade is being taught in the high school building and two classes of the sixth and seventh grades are being held in the high school gym. Eighth grade classes are underway in the former boys' football dressing room.

Teachers for the upper grades of the Hamlin Elementary Department are: Miss Lulan Vaughn, Mrs. Carl Smith, Miss Eunice Whitehead, Mrs. William Shira, Mrs. Doreen Welch and Mrs. H. A. Johnston.

Classes will be held at Wise Chapel, Swedonia, Neinda and Celotex, which consolidated with Hamlin, until Hamlin's new building is finished. Teachers at the respective schools are: Mrs. Leona Brown and Viola Avants, Wise Chapel; Mrs. W. R. Redus and Mrs. Gene Kenton, Swedonia; Mrs. D. W. Stell, Neinda; Mrs. Anna Bell Sims, Celotex.

Lunch rooms at Wise Chapel, Swedonia, Neinda, Celotex and Hamlin began operations as of Tuesday.

High school faculty members for Hamlin, in addition to Superintendent Huchingson, are: Harold Williams, principal; Mrs. Opal Hodges, Miss Marguerite Nobles, Mrs. Vetta Tolar, Mrs. Mary Farrow, Mrs. C. E. Ball, Mrs. Jimmy Simmons, T. C. Blankenship, M. D. Carlton and L. B. Howard, high school coaches.

H. A. Bailey, HAI/c, left Monday for Camp LeJeune, North Carolina, after spending a 15-day furlough at home with his parents, Mr. and Mrs. C. C. Bailey.

Coach Howard's Folks Injured in Car Accident

Coach and Mrs. L. B. Howard left Sunday for Lamesa upon receipt of word that Howard's father and mother had been injured in a car accident.

Coach Howard's mother sustained a broken back in the car accident, but full details were not available Tuesday. While the coach is out of town, Assistant Coach Marvin Carlton is using "fell steam ahead" for Friday's evening initial home game between the Pied Pipers and the Rottan Yellowhammers.

Church of the Nazarene

Services at the Church of the Nazarene are slated as follows: Sunday School at 9:45 a. m.; morning worship at 11:00 a. m.; Nazarene Young People's Service, 7:00 p. m.; junior service, 7:00 p. m.; and evangelistic service, 7:45 p. m.

Good attendance was evident at all services last Sunday. The pastor will speak at the morning service next Sunday. Rev. Dan D. Jones will preach at the evening hour.

Attend church Sunday!—J. T. Crawford, Pastor.

A REPORT on telephone progress in Texas

The first postwar year was the busiest year we've ever known, filled with work to give telephone service to those who are waiting and to improve service for everyone.

We have put in 240,000 telephones in Texas—nearly twice as many as in any prewar year. We are handling more calls per telephone now than in the rushed days of the war. And even this record-breaking performance has not been enough.

But we're glad to say we've been able to take care of most customers whose applications were held up by lack of facilities on V-J Day—and in most places, most of the time, service is fast and good. Operators are answering 9 out of 10 calls within 10 seconds.

Demand Up

On the other hand, more people than ever are applying for telephones—24,000 a month for the last six months. Prewar months averaged 11,000. Thus, as we go ahead on one front, there are increasing demands on another.

We want all those waiting for telephone service to know we are doing our best to get it to them. It is just as much an emergency to us as a hurricane—but this is country-wide.

Bell System factories today are working around the clock, three shifts a day. And—despite scarcities—are

even breaking some records set in boom days years ago.

In Texas we're putting the new equipment to work as fast as we get it, and putting up new buildings to house it when necessary.

People Are Telephoning More

This first postwar year has also brought an extraordinary increase in telephone use. Local calls are now 7½ million a day in Texas—nearly 1½ million a day over last year. That rise would have taken several years in normal times. Toll and long distance calls are also at all-time highs.

We have increased our forces to handle your rising telephone needs. Now we have 48,000 employees in the Southwest—more than ever before. This is an increase of 11,000 since the war ended. About 6,000 are returned veterans.

It will take a great deal of money and some time to do all the things we have planned for your telephone service, but our 250-million-dollar 5-year expansion program in the Southwest is well under way. During the first postwar year alone we spent about 50 million dollars providing telephone equipment.

It all adds up to our desire to serve well everyone who uses the telephone. And to do it always with courtesy and understanding.

HAMLIN PEOPLE GO TO ANNIVERSARY OF D. W. BINGHAMS

Mr. and Mrs. D. W. Bingham celebrated their golden wedding anniversary at their home at Beattie September 6. Several Hamlin area relatives attended.

Rev. S. W. Short of DeLeon made a short talk, and Mary Lou Bingham, granddaughter, presented the rings as a gift from the honored couple's children.

A bounteous dinner was served. Open house, with singing and serving of refreshments were enjoyed during the afternoon.

Friends, relatives and neighbors showered Mr. and Mrs. Bingham with gifts and best wishes for many more happy years together.

Present for the occasion were the couple's eight children: Mr. and Mrs. A. W. Bingham of Amarillo, Mr. and Mrs. J. K. Bingham and children of Sidney, Mr. and Mrs. J. N. Wright and son, J. W., of Comanche, Mr. and Mrs. L. R. Faulkenberry of Hamlin, Mr. and Mrs. Bonnie Bingham of Hamlin, Mrs. M. C. Laughlin and

children of Comanche, A. M. Bingham and daughter of Odessa and Mrs. W. L. Roe and baby of Winslow, Arizona.

Other grandchildren present were Mr. and Mrs. Hucell Bingham and daughter, Mary Lou, of Amarillo, Mr. and Mrs. Fred Vaughn of Hamlin, Mr. and Mrs. Harland Moore and son, Robert Lynn, of Comanche. Grandchildren not present were Mr. and Mrs. Wayne Bingham of Amarillo, Mr. and Mrs. Warren Mathews of Charleston, West Virginia, Private First Class Doyle Bingham, who is in Korea, LeRoy Laughlin of DeLeon, George Ed Bingham of Hamlin and Barney Bail and Jo Ann Roe of Winslow, Arizona.

Sisters of Mr. Bingham and their husbands present were Mrs. Anna Bailey of Brownfield, Mr. and Mrs. Grover Jenkins of Lubbock, Mr. and Mrs. Bill Holbrook of DeLeon. Mrs. Bingham's sisters and husbands present were Mr. and Mrs. B. F. Keith, Mr. and Mrs. Clarence Green of Comanche, Mr. and Mrs. Mose Land of Stamford.

Others present included Mrs. Allie Brown, Mrs. Jelly Brown, Mrs. Dub Brown, Mr. and Mrs. Mose Strickland, Mrs. Harry Strickland, Mr. and Mrs. W. D. Stephenson, Mrs. W. B. MCCAULLEY VOTES BONDS FOR SCHOOL IMPROVEMENTS

By a vote of more than two to one, school patrons of the McCaulley School District Saturday approved issuance of additional school bonds to supplement a bond issue voted last year.

So reports Superintendent Wayne W. Webb, who says 77 votes were cast for the bonds and 31 votes against.

Funds from the two bond issues will be used for the construction of a new combination auditorium and gymnasium, which will include two class rooms also, and for improvement of the school water system.

Plans for the structure have been drawn and bids interested contractors will be accepted by Superintendent Webb. Construction, it is understood, will begin as soon as bidding is completed.

Present auditorium facilities have proved inadequate in serving needs of the school.

The new combination auditorium and gymnasium will have an auditorium 90 by 90 feet in the basement.

McCaulley School opened last Monday with a record enrollment of 200, exclusive of the negro school, which will open at a later date.

Burnett Issues Hunting And Fishing Licenses

Effective September 1, Bill Burnett at the Hamlin Firestone Store began handling hunting and fishing licenses, and those who need either type are urged to contact Burnett.

Previous to the first of the month Mr. Cauble, at the lake, had charge of hunting and fishing licenses.

Hamlin area anglers—and hunters too—find the open spaces mighty inviting these evenings, but before they go too far afield it will pay them to see Burnett for the proper license.

Hunting and fishing licenses issued by Burnett are obtained promptly. He is in charge of licenses as a community service for Hamlin folks.

Ministerial Alliance in Campaign on Gambling

Hamlin's Ministerial Alliance is this week gaining considerable headway with plans to combat gambling in Hamlin community.

The Alliance is not out for creating a furore in the community, but has plenty of backing in taking steps to combat gambling, especially among the younger men of the community.

Congregations of Hamlin churches are backing the drive to stamp out gaming in the immediate community.

City and county officers pledge support in this campaign if the people want it stopped and will back up the officers.

Safety Unit Appeals to Hamlin Folks in Drive

The Texas Safety Association this week issues a direct appeal to Hamlin people to help in the state-wide drive to reduce highway accidents.

With crops beginning to move to gin and market, and with football season opening in this area, every motorist should be extremely careful in daily driving.

Faulty lights, both front and rear, account for almost one-third of the total defects reported by type, and inadequate windshield wipers are the next commonest type, The Herald was informed Tuesday.

Wherever you intend going, or whatever the occasion, you are urgently requested to "Check your driving, check your car and check accidents!"

If a woman is nothing but a rag, a bone and a hank of hair; then a man must be merely a brag, a groan and a tank of air.

PIED PIPERS LOSE TOUGH GRID GAME TO ROSCOE CREW

In a closely watched non-conference game played at Roscoe Friday evening, the Roscoe Plowboys defeated Hamlin's Pied Pipers by a tally of 26 to 7.

Roscoe won by long runs and completed passes. Roscoe made the first touchdown during the first three plays of the tilt. Hamlin came back with Brad Rowland Jr. going over in a series of plays—then kicking the tying point.

Roscoe made their next tally three minutes before the end of the half with Emerson passing to Green. Emerson's passing also accounted for the Plowboys getting final pointer.

Roscoe led in downs, 9-8, in the evening melee.

Outstanding for Hamlin's Pied Pipers were Rowland, back, and McCurley, tackle.

Next game also non-conference, for the Pipers will be played here against the Rotan Yellowhammers Friday night, 7:30 o'clock, at Pied Piper Stadium.

Roscoe, it will be remembered, won bi-district honors last season in football play.

In two other week-end games in this district results were interesting. Haskell played Spur for a win of 7 to 6, and Anson nosed out Rotan, 6 to 0.

The Pied Pipers are looking great this district results were interesting. Coaches L. B. Howard and Marvin Carlton have plenty of backing in declaring the Pipers will be a good district threat in conference competition.

Harold Wheat Go to Wedding of Brother

Harold Wheat of Hamlin was best man when his brother, Lewis Curtis Wheat, and Georgian DeLaFosse of Albany were married September 10 at Matthews Memorial Presbyterian Church in Albany. Rev. J. A. Owen officiated.

Harold was accompanied to Albany by his wife.

Attending the bride as matron of honor was her sister, Mrs. S. L. Phelps of Sweetwater. Maid-of-honor was Miss Patsy Dye of Albany. Mrs. Maxwell Williams and Mrs. Robert Kincaid were bridesmaids. Harold Wheat, brother of the bridegroom, was best man.

The bride was graduated from Albany schools and is a senior at the University of Texas.

The bridegroom also was graduated from Albany schools and attended North Texas Agricultural College, where he entered the Army Air Forces. He is a junior at the University of Texas. Mr. and Mrs. Wheat will continue their studies at the university this year.

Pledges Named by Hamlin Sub-Deb Club

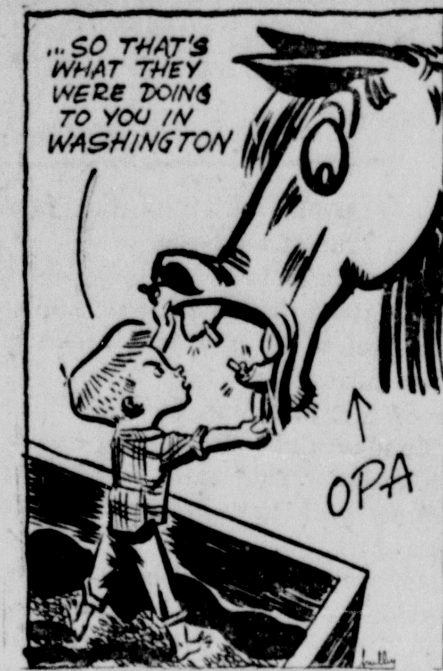

Hamlin Sub-Deb Club met at the home of Joan French Tuesday night for its annual meeting.

The program consisted of voting on new pledges for the club. New pledges for the next four weeks are Beverly Harvey, Margaret Ryan, Edith Scott, Mozell Barnett, Vannie Huling, Betty June Taylor, Juanice Young, LaNell Coltharp, Frankie McCord, Mary Carter, Wanda Ford, Patsy Fletcher and Joy Agnew.

After discussion of the coming affairs that will make this year more enjoyable for the members, the session was adjourned.

Refreshments were served to 13 members.

No Conflict in History And Bible Lions Told

"There is no conflict between the Holy Bible and recognized histories of the world," Rev. John W. Osteen, pastor of the First Baptist Church, told Hamlin Lions Club members at their weekly luncheon Tuesday noon at the Morgan Hotel. He traced the Bible story of Christ from the prophecy about His appearing in the Old Testament, to His coming, to His on earth, resurrection and ascension.

Anganell Crawford, daughter of Rev. and Mrs. J. T. Crawford of Hamlin, rendered an accordion and a piano solo.

Herman Treadwell was a club guest at the Tuesday luncheon.

Alph Hemphill is all rigged up to sow wheat and small grains for the public as soon as he gets his own in the ground.

McCauley High School football team meets Sylvester on the McCauley gridiron Friday afternoon. From all accounts it will be a good fast game and you will enjoy watching same.

Henry Wallace's speech last week caused a lot of comment all over the world. It seems that Mr. Wallace had the blessing of the president, then he didn't have it. What's going on around here?

Mr. and Mrs. W. R. Perryman and Mr. and Mrs. Tom McCasland visited relatives at Rochester last Saturday and Sunday.

Mr. and Mrs. Omar Prather visited with their daughter, Mrs. Phillips, and family at Munday last week-end.

Rev. Roy Hennington preached at the Baptist Church last Sunday in absence of Pastor C. E. Dick, who was ill.

Mr. and Mrs. John Brawner are visiting their daughter at Three Rivers.

This community is in need of cotton pickers. We understand boll pulling is going at \$1.50 per 100.

Mrs. G. W. Martin, who has been seriously ill in the home of her son, Frank Martin in Hamlin, is reported to be very low and all the children have been called in. Mr. and Mrs. Martin have been residents of McCauley for many years, and friends throughout this community extend

sincere sympathy to all the family in this hour of anxiety.

Mary Ann McCollum left Monday for Abilene and McMurry College. Miss McCollum is a junior and will finish next year. She is the daughter of Mr. and Mrs. Levi McCollum.

Monday night and raining again in McCauley. This looks as if cotton picking will have to wait a few more days.

McCauley High School six-man football team defeated a fast team from Divide last Friday afternoon at McCauley. The score was 20 to 12.

Mr. and Mrs. Clinton Maberry and children of Dallas and Mr. and Mrs. Lon Andress of Post spent the week-end two weeks ago in the home of their parents, Mr. and Mrs. J. F. Maberry.

Local news items that fail to reach us by Monday of each week will be carried in the next week's column. Thanks to all the folks who mail us news items.

Cotton last week was bringing from 33 to 35 cents per pound on the local market. Cotton seed was going at \$60 per ton.

Doc Perryman suffered the loss of his thumb on the right hand while at work on an oil well rig near Blackwell last week.

Thanks to Mrs. Luin Maberry for a year's subscription to The Hamlin Herald.

McCauley Cafe is getting quite a reputation for home cooked pies and other fine home cooked foods. Road hands, gin employees, farmers and townfolks make it difficult to get a seat at meal time. The cafe is operated by Mrs. Paul Beavers and daughter. Mrs. Luin Maberry also is an employee.

We understand that the school board is ready to accept bids on the new school building. Contractors, take notice.

Romo Brown is erecting a gasoline service station on the new highway just as you turn into Main Street.

Visitors in the home of Mr. and Mrs. Ben Short on Thursday of last week were Mrs. Peter Pirrone of

New York City, Mrs. W. O. Bonchelle and Wilma Martin of Abilene. All are nieces of Mrs. Short.

Comments in General—If a man is primarily after wealth, the world can whip him; if he is primarily after pleasure, the world can beat him; but if a man is primarily growing a personality, then he can capitalize anything that life does to him (from the Readers Digest August 31.)

Maybe it does take all kinds of folks to make a world, but maybe the world would be a little better if we all would take time out to make it better. Sometimes a kind word spoken at the right time in the right place will bring about a radical change in your neighbor who may be in the dumps. It does take a lot of courage to face every-day facts. Some men earn their bread by the sweat of their brows; others are born with a silver spoon in their mouths; and still others cheat, rob and steal; they gloat over black market deals and it is the "cheats" that make a world of distrust and discontentment.

What a pleasant world it would be if all men suddenly decided to do unto others as they would have others do unto them.

In distant lands another war is in the making, whether or not we like it. There can be no peace when hate and greed are rampant in the

world. And until men can sit down at the peace table with only love for their fellow-man in their hearts we all had better start digging in and be ready to "high-tail it" for the nearest bomb shelters—for the atoms may start splitting in the twink of an eye!—A Darden-O-Gram.

Edson Davis of Kansas City, Missouri, was the week-end guest of Mr. and Mrs. R. J. Robertson.

Mrs. Dorothy Tindal of Salem, Oregon, is visiting Mr. and Mrs. A. O. Tindal.
